Executive Director

RSVP needs an acquisition manager!

The Community Computer Connections Program (CCCP) is urgently seeking a volunteer to manage its acquisition activities. The primary responsibility of this volunteer would be to seek computer and funding donations to help our service project accomplish its mission.

CCCP is a service of The Retired Senior Volunteer Program; volunteers refurbish donated computers, add software and install these internet ready computers free of charge to low-income families, individuals and veterans across Long Island. Your work can be done from home and the time commitment is at your discretion. For more details please contact Robin at cccp.volunteer@gmail.com or call 631-979-9490 ext.13
